

Specific PO Call & IC Status Reports – kind attention clients
(07-07-2020)

In view of some complaints from vendor's side, Specific PO Call & IC status reports have been withdrawn from public domain. These reports are though accessible in Client Login. For accessing these reports now by the authorized clients, you need client ID & Pwd issued by RITES. The client desirous of viewing these reports need to send the request on the letter head with official stamp along with the following information to nrinspn.it@rites.com:

For Client User ID Creation we need

- i) Name of the person
- ii) Organisation
- iii) Designation
- iv) Official Mobile
- v) Official Email ID

The client login ID & password shall be issued shortly after receipt of such requests. It is also mentioned that this access is not available to vendors as they have their separate vendor login.
