Annexure
(License No. ERIO/PC/MSF/2023/0001)

Conditions of the License

- (1) The design of the License Mark shall be identical to the facsimile given.
- (2) The photographical enlargement or reduction of the License Mark may also be used, unless otherwise specified.
- (3) The licensee shall be responsible for the conformity of the goods, article, process, system or service to the Scheme in relation to which License Mark is applied.
- (4) The licensee shall NOT use the License Mark on any goods, articles, process, system or service which are non-conforming or outside the scope of the License.
- (5) In case the mark has been used on a nonconforming product, RITES shall have the right to direct the licensee or his representative to recall such non-conforming goods.
- (6) The License Mark shall not be used or applied in relation to any goods, article, process, system or service during deferment or suspension, or, after expiry or cancellation of the License.
- (7) The licensee shall comply with the provisions of the conformity assessment scheme under which license is granted, including labeling and marking requirements.
- (8) The licensee shall maintain records as specified by the RITES from time to time.
- (9) The licensee shall provide all assistance in connection with carrying out an inspection or audit its premises and such assistance may include sending samples that have been marked and sealed by the accessing officer to the designated office or laboratory and ensuring that such samples are dispatched to the designated office or laboratory within seven days from the date of inspection, audit or evaluation.
- (10) The licensee shall provide information relating to items and quantity produced and items on which License Mark has been applied.
- (11) The licensee shall provide the list of consignees, to whom goods or articles with License Mark is supplied.
- (12) The License has only been granted for given premises and shall not be transferred to any person without the approval of the RITES.
- (13) If a complaint regarding the quality of any goods, article, process, system or service bearing License Mark is established, RITES may direct the licensee or his representative to repair or replace or reprocess such goods and articles.
- (14) RITES shall have the right to amend any of the conditions of License by giving a notice of not less than one month to the licensee.
