
Sub: - "On Line" Call Marking for Contract Cases.

"On Line" call marking procedure was launched for trial in Northern Region w.e.f 01.06.2017. The system has been utilized by several suppliers successfully. In view of the experience gained, it has been decided that all new cases under contract suppliers will be registered only in "On Line" mode w.e.f 31.08.2017.

All contractors are requested to kindly note for compliance. In case of any problem they may contact helpdesk line no. 011-22029119.
